

The logo consists of the letters 'U', 'E', and 'Z' in a bold, 3D, sans-serif font. The letters are filled with a gradient of green, transitioning from a lighter shade at the top to a darker shade at the bottom. Each letter has a dark grey or black shadow on its right side, giving it a three-dimensional appearance. To the right of the 'Z', there is a stylized swoosh that starts as a thin, light green line and curves downwards and to the left, ending as a thick, dark green shape. The background features several horizontal, wavy bands of green in various shades, creating a sense of motion and depth.
